Summary: My first attempt at a poem. It doesn't rhyme.

My feelings are a swirl

> <meta name="Generator"> My name is Cassie

My name is Cassie.

I am a killer with a conscience.

I cannot hide,

The truth that lies inside.

I have ended countless lives,

And later mourned the dead.

The war has changed me.

My feelings are a swirl.

I am no longer in control.

My values and my morals,

Have changed the most of all.

What was once wrong,

I have done a million times.

I no longer hesitate to kill.

When given half the chance I will,

Kill the innocent and the guilty,

In crusade to defeat the enemy,
And save the human race.
The effort's probably futile,
And the bloodshed all for nothing.
My soul has turned cold and,
My passage to heaven is probably lost.
All this because we choose,
To fight a war we're sure to lose.
